XPS

Product description:

Lightweight panel with European poplar core and decorative birch faces, with soft, warm tones and elegant grain.

Ideal for furniture and decoration thanks to the beauty of its faces finished in natural wood.

In addition to providing exceptional lightness and ease of machining, its sustainable plantation poplar core gives these panels great stability and surface quality.

Glue Type: Class 1 (interior)

Emission: E1, according to the rule EN 717-2. This product can be made on demand according to the ARB standards (low formaldehyde emissions)

Quality faces: - B/BB
- BB/BC available on request

Applications/Uses:

- Decorative coverings for walls, ceilings, facades, interior partitions, dry wall...
- Furniture industry
