# Welcome to Norbord Europe Ltd

**As the UK's No.1 manufacturer of panel boards, we've been trusted to supply the UK's leading house builders for over 5 decades.**

Our brands, which include SterlingOSB, CaberBoard flooring and CaberWood MDF, are manufactured to the highest standards and are backed up with our in-house support team which can help you with product and technical assistance. We are one of the most trusted and respected suppliers to the trade, with more than 70 key items across our three product ranges. Our commitment to quality and customer service has made us one of the world's leading manufacturers of engineered wood-based panel products.

We have been supplying products to Europe for over 50 years and continue to place customers, standards of excellence, control of costs, safety and environmental concerns at the heart of our business.
